

2026 Church Information

Please fill out the attached form with information for 2026 and return by **January 15, 2026**. This information is to help ensure our records are up to date, churches and the appropriate officers/leaders receive important information from the Presbytery, our balance of voting members is correct, and all voting members of the Presbytery receive all relevant information and the Presbytery meeting packets.

PLEASE NOTE the earlier deadline this year. That is because the first presbytery meeting is February 7th and we need to get information for the meeting out to Commissioners before the end of January, so need to know earlier. Thanks for your help and understanding.

If this information changes during the year (particularly email) please contact the Presbytery office or Stated Clerk.

Ruling Elder Commissioner to Presbytery. G-3.0301 Each church in the Presbytery has one Elder Commissioner to Presbytery. The person must be an ordained Ruling Elder, but does not need to be currently serving on Session. The person must be elected by Session. An alternate should also be elected in case the primary Commissioner is unable to attend. Commissioners should be elected to a 1 year term, January – December, 2026.

Clerk of Session. G-3.0104 Clerks must be elected by Session for a specified term (usually defined in by-laws/standing rules). If the Clerk is continuing a term from a previous election, please note that.

Treasurer. G-3.0205 The Treasurer must be elected by the Session for a specified term (usually defined in by-laws/standing rules of the church). If the Treasurer is continuing a term from a previous election, please note that.
